"TO DO THE LITTLE THINGS WELL"

Spring has Sprung...

March has been a busy and exciting month at our school, filled with a variety of engaging events. Our students participated in the Ash Wednesday Mass, reflecting on the beginning of Lent and the start of preparations for Holy Week. The School Forum have organized the Easter Chocolate Raffle, which is supporting School Fund. We also received a fantastic response to the sponsored walk in aid of CAFOD and WaterAid, with many students showing their commitment to helping those in need. Thank you to all the parents and families for supporting and raising nearly £1000! The Year 5 children have been hard at work rehearsing the Passion Play, which promises to be a moving and memorable performance.

Additionally, our students were absolutely mesmerized by the Pop-Up Planetarium, where they had the opportunity to explore the wonders of the stars and planets in a truly unforgettable experience. It has been a month full of learning, giving, and community spirit.

Highlights of the month

Big Lent Walk & Water Aid

Each class took part in a sponsored walk in aid of CAFOD and Water Aid. We were absolutely amazed at the amount of money you raised for our Big Lent Walk! Thank you so much to each and every sponsor! The money raised will now be donated to CAFOD and Water Aid. Well done and thank you again!

Wonderdome

On Tuesday 1st April the whole school was treated to an experience inside the Wonderdome. Children were able to revisit their knowledge of our solar system or learn lots of new things about the different planets and stars which exist. The fully immersive experience was enjoyed by everyone and children were given the opportunity to ask questions once the show was over.

Passion Play

Year 5 performed for the whole school and their parents in school on Friday 4th April. They retold the Easter Triduum including the events of Maundy Thursday, Good Friday and Easter Sunday. The singing, acting and narrating were outstanding.
