"TO DO THE LITTLE THINGS WELL"

Spring has sprung...

Last term was filled with wonderful preparations for Easter and the welcoming of Spring. Reception presented a delightful assembly about the signs of Spring and all the ways we see the plants animals coming alive after the Winter months. I was so pleased to see how excited and confident the children were throughout their assembly. I also loved watching our Nursey children parade around the hall in their fabulous and imaginative Easter bonnets. I can only express my great admiration to those who made those wonderful creations. When my boys were in our Nursery, my heart would sink as they had to wear the dreadful bonnets that I had made! The talents of our children and families were also on display for the Easter Art Competition. Every single entry was creative, unique, and showed such great imagination. The final part of our Easter preparations was the beautiful and reverent Service of Sorrows that Year 5 performed in church. The whole thing was so moving and told the story of Christ's Passion in a way that all our children could understand, regardless of age. The singing, acting and reading were excellent. Thank you to all the children, staff and families who helped our children prepare for such an important performance.

Highlights of the month

World Book Day

We celebrated World Book Day on Thursday 7th March. There were some amazing costumes and some colourful pyjamas. We completed some wonderful writing around a title of a book we were given in assembly. We read out some of the wonderful writing before home time.

Reception's Assembly

Reception were very excited to present their class assembly all about plants and growing. They all learned their lines and spoke loudly for everyone to hear. They also enjoyed their stay and play and made lots of Easter crafts, the biscuit decorating table was definitely a highlight!

Service of Sorrow

Year 5 performed for the whole school, parents and members of our community in Church on Thursday 28th March. They retold the Easter Triduum including the events of Maundy Thursday, Good Friday and Easter Sunday. The singing, acting and narrating were outstanding.

Easter Activities

We received some amazing entries for the Easter Art competition again. They were all amazing the judge found it a very tricky decision. Congratulations to all our winners.

Nursery's Easter Bonnet Parade was another highlight. The children performed for their adults and also entered them all into the Easter competition.

Thank you to all who bought tickets for the Easter raffle. We raised £245.
