# Highlights of the month

## Early Years

Our Reception and nursery children have settled in well to life at St Theresa's. Miss Beard, Miss Clarke, Mrs Welsby and Mrs Corbett are so proud of the children. In Reception so far they have focused on making new friends, exploring their new classroom and started looking at their new topics. We also welcome all parents - both new and those already part of our school community. Please don't hesitate to get in touch with a member of staff if you have any questions.

## Martin Mere

On Tuesday 16<sup>th</sup> September Year 4 and Year 6 went to Martin Mere to take part in a fully funded trip. The children learned all about the wildlife that Martin Mere have and also met Ava. Ava is trying to help save the planet and has set the children some challenges to complete. All children have been given a log in and they are able to complete these at home or in school. The pin badge and certificate are waiting for them to complete 10 of the suggested activities.

## Always Children

The summer term always badges have now been awarded. They were given to children who are always ready to learn, always follow the school rules and are role models around school. It was lovely to see new faces at the front of the hall collecting their first always badge.

We have now started a new term and we hope to be able to award lots more badges before Christmas for the Autumn term.
